## cbd services

CBD (short for cannabidiol) is a non-psychoactive compound found in hemp, part of the cannabis family of plants. The CBD used in our products and treatments will likely leave you feeling relaxed and restored, and will not impair judgment or physical capabilities. CBD has been shown to improve symptoms related to inflammation, arthritis, sports and occupational injuries, mood disorders and sleep disruption. Enjoy one of our signature services which will reduce muscle pain and stiffness, enhance relaxation, relieve joint pain, boost sensory stimulation and moisturize and condition your skin.

### **CBD FACIAL**

This facial evokes the powers of self-healing and stabilizes the skin from the influence of outside elements. It will restore your skin to its natural order by hydrating, infusing moisture, and fortifying the natural barrier to help protect against harmful bacteria and toxins. No matter your skin type or condition, the secret to quick healing is adding CBD to your regimen.

### **CBD MANICURE**

Experience the moisturizing and restorative benefits of CBD on your hands and nails. Paraffin stimulates circulation to improve joint stiffness and reduce pain. CBD enriched paraffin gloves will be applied, followed by our signature manicure service. Enjoy a hand and forearm massage with CBD lotion for additional healing and hydration.

### **CBD PEDICURE**

Our CBD pedicure includes a refreshing CBD bath bomb soak of your choice with a soothing massage, followed by nail and cuticle care, exfoliating scrub and foot massage with CBD lotion. Nails are polished or buffed to a shine.
